WHY YOUR PARTNERSHIP MATTERS!

Business partnerships are vital to the success of Columbia Gorge CASA, providing essential resources, funding, and increased visibility for our mission to advocate for children in foster care. When local businesses join forces with CASA, they strengthen our efforts to ensure every child has a dedicated advocate in the courtroom and the opportunity for a brighter, more hopeful future. Your partnership not only demonstrates your commitment to the children of our community, but also helps create lasting change for vulnerable children in need. By supporting CASA, businesses play a key role in making a profound and lasting impact on the lives of those who need it most.
